## KEEPING CHP CLEAN

For many of us, walking our community is a near daily activity. It's great exercise and an amazing way to meet our neighbors. Sadly, trash can commonly be found on our streets and alleyways. Much of this trash is preventable if we all make sure we're not putting loose trash into our bins. Instead keep trash in tied trash bags.

We can all pitch in

If we all pickup stray trash around our homes or even while out walking we can KEEP CHP CLEAN.

**Send pics of you and your family cleaning up CHP and we'll put you in the March newsletter!**

## FREE TENNIS ANYONE?

Surely everyone is aware of the Alamo Heights Tennis Center that graces our neighborhood, but did you know that any Alamo Heights ISD taxpayer can use the courts for FREE? AHISD does require a reservation be made no more than a week in advance.

**Call (210) 366-3155 for reservations**

## ISLAND MOWING

The grass islands on the Jones Maltsberger side of our community are mowed every other month by the city of San Antonio. In the Spring and Summer, that's not enough so our community members volunteer to mow the islands. **Let us know if you would like to help mow the islands.** [crownhillparkna@gmail.com](mailto:crownhillparkna@gmail.com)

**Months not mowed by CoSA:**

**Feb - Apr - Jun - Aug - Oct - Dec**

### LOOP 410 UPDATE

Thank you to everyone who is participating in the effort to improve communication and collaboration with TXDOT regarding the future changes coming to Loop 410. Currently, we are working with local officials, and neighbors in Castle Hills and surround areas to better understand how we can provide constructive feedback to TXDOT to ensure they keep the quality of life here in CHP a top priority. We know this is an important topic for everyone, so there will be a dedicated spot in the monthly newsletter for continuing updates.
